

CARING PET CREMATION

The hardest part about having
a pet, is saying goodbye

WHEN IT'S TIME

Cremating your pet
with the Veterinary
Hospitals Association

Your pet was your loyal companion, trusted confidant, and best friend throughout their entire life, during which time you provided unconditional love, protection, and care. Saying goodbye to them is one of the most difficult things for pet owners to deal with. Veterinary Hospitals Association (VHA) is a local, not-for-profit association that has been supporting and serving the veterinary community with cremation services for over 35 years. You can trust that our compassionate cremation staff provides the highest amount of dignity and respect your beloved pet deserves so that you may begin to find peace following your final goodbyes.

We understand the power of the animal-human bond, and the great emotion and difficulty involved when reaching this shared point in your lives.
