Team Admin

The team admin is responsible for processing orders for the team members as well as managing team member progress and tracking CE completion. **This account does not have access to courses and is a free account intended for managing members enrolled in Fear Free programs. The team admin can enroll for courses by adding themselves using a different email from the one used for the team admin account.**

Email the following information to certifyme@fearfree.com to create your team account:

- First and Last Name
- Email (must be unique; cannot be the same as team members)
- Clinic Name
- Clinic Address
- Clinic Phone
