

SUPPORT THE HEALTH OF YOUR PATIENTS WITH THESE ROYAL CANIN TOOLS AND RESOURCES:

Royal Canin Nutritional Advisor	To learn more about the science behind Royal Canin diets, to get a diet recommendation, or to ask a nutritional question, contact our advisors for answers at: 888-213-4486 or nutritional.advisor@royalcanin.com	
Royal Canin Vet Services	Create tailored nutrition recommendations for your patients by using our digital products that include Smart Reco, Daily Allowance and Weight Loss Plan tools.	
Royal Canin Academy	Improve and practice your nutritional knowledge with relevant course materials through our e-learning platform.	
Royal Canin Live	Earn complimentary, RACE-approved CE credit at your convenience.	
Royal Canin Product Guide	Exclusively for veterinarians and veterinary clinics, this guide is designed to help you select the best nutritional solutions for your patients. Helpful at-a-glance charts provide easy reference to the portfolio of veterinary health nutrition formulas that Royal Canin offers.	
Royal Canin Clinic Feeding Program	Through participation in Royal Canin Academy, employees can qualify for discounts on Royal Canin veterinary-exclusive and healthy pet diets.
