## Save time with *automated note taking*

Accurately capture key details in real time using AI. Once you're finished recording, PetDesk Scribe prepares all the information you need to quickly review.

### Detailed SOAP notes

Receive professionally-formatted, detailed notes that follow industry standards, perfect for reviewing and organizing clinic records.

### Easy-to-read client summaries

Get summaries that are both easy to follow and use, improving client communication and helping pet owners better understand their pets' care.

# PetDesk Scribe: one solution with endless benefits

## Reduce repetitive tasks

Simplify the tedious but necessary parts of the job, keeping your team concentrated on providing high-quality care while enjoying a healthier work-life balance.

## Get the support you deserve

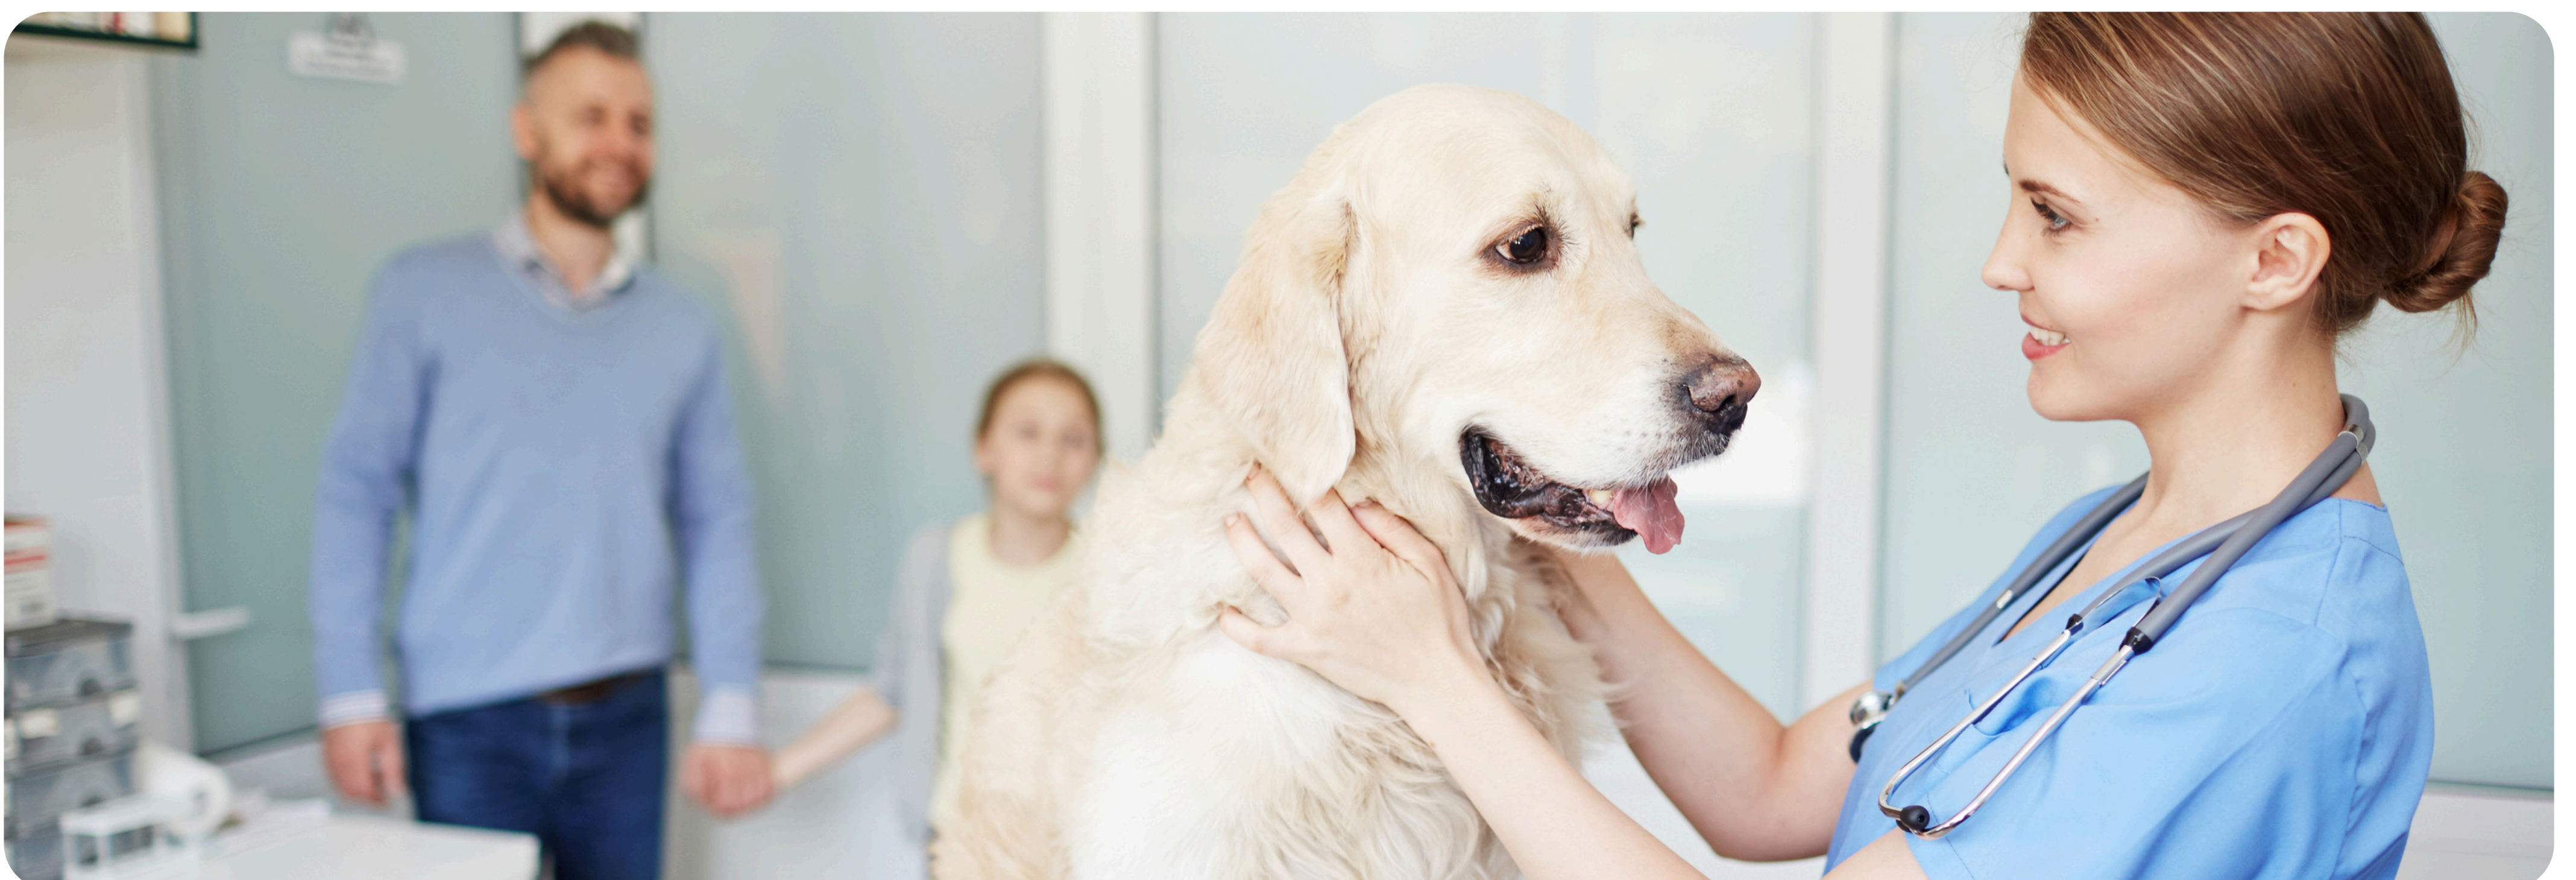

Have peace of mind that PetDesk serves over 8,500 clinics with more than a decade of experience. We'll help create a clear path to solving your clinic's challenges!

## Save yourself valuable time

Improve note-taking accuracy with a full transcription delivered to you, instead of decoding rushed handwriting or guessing what was said during an appointment.

## Be present with patients

Focus on supporting pet parents in the moment without the distraction of manually taking notes, creating a more personal experience that keeps clients coming back.
